FARMERS' ALLIANCE

Places a Candidate in the Field in Strathcona Constituency.

(Bulletin Special Dispatch).

Red Deer, Nov. 9.—The Farmers' Alliance of Lacombe nominated Col. Gregory, of Lacombe, for the Dominion parliament for the Strathcona constituency on Saturday.

WHEAT AND OAT QUOTATIONS

Winnipeg oats, No. 2, white, 30c a bushel.

Fort William wheat, No. 1 north-east, 79 3/4c a bushel.

Winnipeg, Nov. 10th.

WHEAT PRICES DROP.

Wheat prices have taken a decided drop.

ITALIAN MINISTER SUICIDES.

Signor Bosano, Italian minister of finance, killed himself.

FOSTER IN ENGLAND.

Mr. Geo. E. Foster addressed a meeting at Loughborough.

HIS FIRST CONSISTORY.

Pope Pius X held his first consistory but behind closed doors.

FREIGHT SHIPMENTS DELAYED.

Sixty cars of package freight are awaiting shipment at Owen Sound.

HAS THE EMPEROR CANCER?

Has the emperor of Germany cancer? is a serious question asked by the German nation.

HORSES SUFFOCATED.

Three horses were suffocated in the destruction of a Winnipeg stable.

MAY BE THE CONDOR.

A submerged wreck discovered in Berkeley Sound, British Columbia, may be the lost warship Condor.

GALAWAY A PORT OF CALL.

Galaway will be made a port of call for Canada's proposed fast steamship line.

MURDERER CAPTURED.

The chief of Windsor's police believes the slayer of Glory Whalen has been caught.

—The annual meeting of the Woman's Christian Temperance Union will be held at 3.30 tomorrow afternoon at the residence of Mrs. John Ross. A full attendance of members is requested.

PERSONAL

Rev. H. A. Gray left for Calgary this morning.

Dan Maloney, ex-M.L.A., St. Albert, is in Edmonton to-day.

Miss Fanny Chavis, of St. Albert, is spending the week in town with her sister, Miss Beattie Chavis.

Mrs. John H. Dean left this morning with her daughter Tilly for Kamloops, B.C., where they will spend the winter.

MISSIONARY MASS MEETING

A missionary mass meeting was held in the Methodist church last night, when a very good audience listened to the addresses of the speakers on that occasion. Rev. T. C. Buchanan presided. Rev. Dr. Woodsworth delivered a most interesting and instructive address, confining himself largely to the vast physical resources of the Canadian North-West, in soil, mine and forest. These resources were bound to bring in a large number of settlers and the church should be prepared to meet their religious needs. He advocated the cultivation of a strong Canadian sentiment.

Dr. Sutherland was in splendid form and put himself in touch with his audience by some humorous incidents before entering on his magnificent address on the subject of missions, the cause to which he has given his life and talents. He feared that in the west people would become so interested in material things as to forget the things of more importance. There is great need for the spread of the gospel of Christ in these western parts and it is the most potent influence in fusing into one great nation the heterogeneous masses of settlers coming into the country. The church must keep pace with the settlement. This requires increased expenditure and the church is asking this year for \$250,000, besides the regular giving to missions which last year amounted to \$230,000. The doctor made an earnest appeal to the west to supply its own preachers.

The audience responded to the appeal for funds with a subscription of \$400, which will be further increased.

LOCAL

—Train left Red Deer on time.

—Excavations for the installation of the waterworks and sewerage systems on Fourth street, commenced to-day.

—During the year 91 new post offices have been established west of Winnipeg. This is about double the number in the whole of 1902.

—The Calgary public schools have chosen a school motto and colors. The motto is "A sound mind in a sound body," and the colors are crimson and gold.

—A Sunday school teachers' union for all the Sunday schools in the city has been formed for the study of the Sunday school lesson for the following Sunday. Rev. Principal Riddell, of Alberta College, has volunteered to teach the lesson every week. The meetings will be held in the Alberta College rooms each Friday, commencing at eight p.m. The first meeting will be held on Friday evening next.

—A radical change will be made in the passenger train service on the C. P. R. main line next summer. Instead of a daily transcontinental express every other day, there will be two daily trains each way. One of these will be a night train and the other a day train, and the transcontinental express and Imperial Limited will be combined in each. That is to say, on a certain section of the road one train will run through without stops as a limited, while on the next section it will make stops as the express. The train following will be an express train on the section where the first train ran as a limited and will be a limited where the first was an express. This will give every important town along the line the advantages of a day train and a night train, together with the other great advantage of a fast train.

WESTERN QUESTIONS

In the report of the recent Scott-Oliver public meeting in Regina, the Regina Standard, independent, says:

"Mr. Oliver was accorded a magnificent reception. He devoted the major portion of his remarks to the transportation question, with which, from his long experience in the west, he is so familiar. He said that the Grand Trunk Pacific scheme was the first effort made to solve the transportation question as it affected the whole Dominion, and explained fully eastern views and needs and also those of the west, and how the G. T. P. would meet both. He contrasted the aid given with the Crow's Nest Pass and other railway bargains. His explanation of the provisions of the Grand Trunk Pacific was most effective and made a marked impression on the large audience, who resounded with hearty cheers over and over again. He also dwelt at some length on the extension of the Canadian Northern into the Territories.

"Upon the tariff Mr. Oliver agreed with the manufacturers that it should not be a party question. He said that the manufacturers' association which was the greatest combine of the combines in Canada had deliberately asked for a protective tariff; that Conservatives in the west and in parliament had endorsed that policy and that it was, therefore, a clear issue between the Liberal government and a low tariff, and the manufacturers and the Conservatives and a high protective tariff.

"You are either for a high tariff or against a high tariff," said Mr. Oliver, "and if you are against it you vote for the government and if you are in favor of a high tariff, you vote against the government. It was not a party question and if the manufacturers had banded together declaring for a high tariff and to bring every argument to bear to spend every dollar they could subscribe, to buy every newspaper they could buy in an effort to gain their ends, then the people and the farmers of the country should likewise band together declaring for a low tariff and stand and vote together to that end."

"On the question of provincial autonomy Mr. Oliver was very explicit, and while he was strongly in favor of provincial autonomy and autonomy immediately providing proper terms and arrangements could be made, he was just as strongly opposed to provincial establishment if suitable terms and conditions were not arranged."

HOMESTEAD REGULATIONS.

Any even numbered section of Dominion Lands in Manitoba or the North-West Territories, excepting 8 and 26, which have not been homesteaded, or reserved to provide wood lots for settlers, or for other purposes, may be homesteaded upon by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

ENTRY.

Entry may be made personally at the local land office for the district in which the land to be taken is situated, or if the homesteader desires he may, on application to the Minister of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, or the Local Agent for the district in which the land is situated, receive authority for some one to make entry for him. A fee of \$10 is charged for a homestead entry.

HOMESTEAD DUTIES.

A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act and the amendments thereto to perform the condition connected therewith under one of the following plans—

1. At least six months' residence upon and cultivation of the land in each year during the term of three years.

2. If the father (or mother, if the father is deceased) or any person who is eligible to make a homestead entry under the provisions of this act, resides upon a farm in the vicinity of the land entered for by such person

as a homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by such person residing with the father or mother.

3. If a settler has obtained a patent for his homestead, or a certificate for the issue of such patent countersigned in the manner prescribed by the Act, and has obtained entry for a second homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by residence upon the first homestead, if the second homestead is in the vicinity of the first homestead.

4. If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this Act as to residence may be satisfied by residence upon the said land.

The term "vicinity" used above is meant to indicate the same township or an adjoining or cornering township.

A settler who avails himself of the provisions of Clauses 2, 3, or 4 must cultivate 30 acres of his homestead, or substitute 20 head of stock, with buildings for their accommodation, and have besides 50 acres substantially fenced.

Every homesteader who fails to comply with the requirements of the homestead law is liable to have his entry cancelled, and the land may be again thrown open for entry.

APPLICATION FOR PATENT.

Should be made at the end of the three years before the Local Agent, Sub Agent or the Homestead Inspector. Before making application for patent the settler must give six months' notice in writing to the Commissioner of Dominion Lands at Ottawa of his intention to do so.

INFORMATION.

Newly arrived immigrants will receive at the immigration office in Winnipeg, or at any Dominion Lands Office in Manitoba or the North-West Territories, information as to the lands that are open for entry, and from the officers in charge, free of expense, advice and assistance in securing lands to suit them. Full information respecting the land, timber, coal and mineral laws, as well as respecting Dominion Lands in the Railway Belt in British Columbia, may be obtained upon application to the Secretary of the Department of the Interior, Ottawa; the Commissioner of Immigration, Winnipeg; Manitoba; or to any of the Dominion Lands Agents in Manitoba or the North-West Territories.

JAMES A. SMART,
Deputy Minister of
the Interior.

N. B.—In addition to Free Grant Lands, to which the Regulations above stated refer, thousands of acres of most desirable lands are available for lease or purchase from Railroad and other corporations and private firms in Western Canada.

ROSS BROS. LTD.

LACOMBE

Advertiser.

Joseph A. Carbert, Dominion lands surveyor, arrived in Lacombe Saturday noon after having spent six months on the survey east of Lacombe, starting at Island Lake and surveying twelve townships including the Nose Hills and Neutral Hills. Last week he laid out the new town of Tall Creek.

At the council meeting, Tuesday evening it was decided to have the cemetery surveyed and laid out in lots. E. L. English, representing the Waterloo Engine Works, of Winnipeg, was present, urging the claims of their fire engines. The council has decided to purchase the triangular lot on Barrett Avenue at the intersection of Matthias street, on which to erect a fire hall, etc.

Apart from the important addition to the amenity of our town, the completion of Day's opera house will be noted with satisfaction by the musical and drama loving portion of the community. They can now enjoy the visitations of concert and dramatic companies with comfort.

Fall plowing is being pushed in Central Alberta. The fine weather is extending the plowing season later than usual and the farmers are making the most of it.

Carbet L. Durie has removed his law office from the Vickerson block to Holston's block on Nanton street.

HORSE HILLS

Our school was re-opened last week. Mr. Wade of Edmonton has been engaged as teacher to replace Mr. Hobbs.

Mr. and Mrs. J. Wall were visiting friends in Beaver Hills on Sunday. Miss Hagey, of Waterloo, Ontario, who has been visiting Mrs. A. Lehman for the past week, left for Red Deer this morning.

Mr. and Mrs. A. Lehman, Mrs. Gibbs and daughter, and Miss Hagey were visiting at Fort Saskatchewan on Saturday last.

John Rounsville is enjoying a visit from his mother, who has recently arrived from Oregon.

Fall plowing is now the order of the day. By all appearances a large amount of land will be in readiness for the seed early next spring.

Yesterday's snow was a disagreeable surprise after the recent fine weather.

After a lapse of many years the rabbits are once more becoming quite numerous. It has also become apparent from the fact that the coyotes are committing fewer depredations to the domestic stock than formerly.

The hay crop is of more value this year than the grain. Jeff Lewis recently sold 100 tons of hay at \$10 and is now busily engaged in delivering it.

A farewell party was tendered W. Handy last evening at the residence of A. Corbett, and was much enjoyed by the numerous friends and acquaintances who were gathered to bid him adieu. Walter leaves for British Columbia shortly and will be missed by all the district.

Hallowe'en passed off with its usual number of foolish pranks. On Sunday morning several farmers proceeded to hitch up their buggies to go driving, when in a few minutes to their astonishment and indignation they found in the place of their own buggy, that of some neighbor had been substituted, with the front and hind wheels reversed. Many other petty pranks were perpetrated which caused much displeasure to the owners of the property.

Threshing operations have been progressing so favorably during the recent summer weather that a few days more will completely finish this district. Considerable light grain has been threshed in the country this fall, but the farmers contemplate making the best of it, by going more extensively into hog raising, and feeding their grain; thereby realizing double the profit that the sale of the grain would bring.

The Charm of Music is only fully realized when the instrument used is perfect in tone, touch and action.

Long experience enables us to select instruments of flawless construction and superb tone.

There is in our store now a good variety of first-class instruments, including pianos down to the smallest harmonica.

We would be pleased to have a visit from those who contemplate purchasing or wish to effect an exchange. Our terms are satisfactory.

lished in Edmonton
Immediately.**

At the close of the council meeting a short meeting was held and it was unanimously agreed to grant a lump sum bonus of five thousand dollars and exemption from taxation for ten years for the operation of such a linen manufacturing establishment at Edmonton. Messrs. Dickson and Coultter agreed to the terms and the City Solicitor was instructed to draw up a by-law embodying these arrangements for submission to the rate-payers.

LOCAL

—The Ladies' Aid Society of the Public Hospital have for the past three years been able to pay \$1,000.00 yearly towards the debt on the hospital. They are anxious to do the same this year and find they still need \$350. They have thought best to solicit subscriptions to this amount and committees have been appointed for that purpose. Those wishing to contribute who may not be called on, will kindly hand their money to any minister of Protestantism. They are still unclaimed dishes from the hospital and by asking Mrs.
